Live Art in Motion

Dakota West Arts Council

Kirkwood Mall (north end between I Keating and Target)

Call Time: 10:50 am

Performance Time: 11:00 am

Selections we are performing...

Jubilate Alleluia

Do Re Mi

One Candle

Casey Jones

Uniform: red CDCC t-shirt (tucked in) and jeans.

We will meet in the gathering space between I Keating and Target. Be sure you have had a snack and have used the restroom prior to our 10:50 call time. Warm up the voice with some singing prior to coming to the mall since we won't be able to vocalize together. We will plan to sing these songs from memory. If you feel you don't have it memorized, you may bring your black binder with the word lists; otherwise, you do not need your binder.

As soon as you arrive, leave your coat with parents and line up in concert order facing the director. We will be finished performing at 11:20 am. You will be excused at that time. Be sure you know exactly where to meet your parents.

CDCC will have a display at the mall for the day. Check it out and encourage your friends to stop by and visit to find out about CDCC. We will have staff there to answer any questions.

You are the only CDCC choir performing at this event, so you are the ambassadors for all five of our choirs. Thank you for representing CDCC so wonderfully with your professional behavior, both during our performance and when you are hanging out in the mall.

Please understand that there will probably be many people talking and wandering around while we are singing. It is a mall performance, so don't let this distract you. Keep your eyes glued to the director during the songs.

Eyes on director!
Sing with expression!
Smile to say thank you!
Have a wonderful time!
